

*Specializing in the safe and
efficient disposal and
recycling of hazardous and
non-hazardous waste.*

Striving for a cleaner environment now and for our future.

OUR MISSION

We specialize in the safe and efficient disposal and/or recycling of hazardous and non-hazardous waste in full compliance with Federal, State, and local environmental regulations. We'll ensure that all waste is segregated, properly defined, and tracked. We will help you to discern what type of service is necessary and work with you to ensure that your waste disposal and transportation needs are met with highest level of customer service.

WHAT WE CAN DO FOR YOU:

Your full service partner in waste removal for disposal and recycling.

OUR HISTORY

Oil Recovery Corporation was founded in 1976 at a time when the industry began to express a need for help in complying with newly established Resource Conservation and Recovery Act (RCRA) regulations. We recognized that we could make a difference to the environment... and to our future.
